Re: Singleton, et. al. v. City of Dover, et. al.
Case No.: 17-cv-00343-MN

Dear Judge Norieka:

I write to express the parties' joint request to postpone the November 5, 2018 trial pending a determination of the Defendants' Motion for Summary Judgment (D.I. 23) ("the Motion"). The parties completed discovery in a timely fashion and are otherwise prepared for trial, but believe that a decision on the Motion (regardless of what that decision is) may help resolve the case without the necessity of a trial. Consequently, the parties believe that it would conserve both the parties' and the Court's resources and be more efficient to suspend all dates and deadlines pending a decision on the Motion.

The parties are, of course, available at the Court's convenience if Your Honor has any questions or comments.

Respectfully submitted,

/s/ Daniel A. Griffith
